

Cambridge 100 — 2nd September 2012

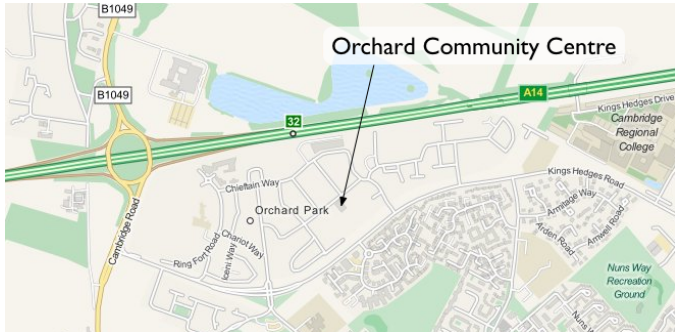

Route sheet

Start

The ride starts at the Orchard Community Centre, Central Avenue, Orchard Park, Cambridge CB4 2EZ.

The start is at 09:00. Please be there in plenty of time to pick up your brevet card.

There are some parking bays on Central Avenue in front of the Community Centre; if these are full, it should be possible to find space on the streets nearby.

Contact

Gareth Rees: 07889 364390. If you abandon the ride, or if you are going to be late back to the Community Centre, please let me know.

Orchard Community Centre: 01223 420750

Route

The route visits information controls at Tetworth (near Gamlingay) and at Little Staughton, where you must answer the questions printed on your brevet card; it then passes a control at Eastside Common near Hemingford Abbots where you must collect a sticker.

The route is covered by Ordnance Survey Landranger sheets 153 and 154.

The ride returns from St Ives using the cycle path beside the Cambridgeshire Guided Busway. This is a public bridleway and is popular with walkers, rollerbladers, horse riders and skateboarders, so please be considerate to the other users. There are three junctions where the cycle path crosses the busway. These junctions need extra care: you need to watch out for buses on the busway as well as vehicles on the road.

Cafés

There are cafés at 29 km (Waresley Park Garden Centre), 42 km (Market Café or Caffè Nero in the market square, St Neots), 61 km (Harbour View Restaurant, West Perry), and 83 km (River Tea Rooms, St Ives). These are noted on the route sheet.
